

a SunSource Company

QUALITY REPAIR OF MANUFACTURING EQUIPMENT

Fluid Conveyance Solutions

Common Industry Applications

- Aerospace
- Agriculture
- Automotive
- Compressed Gases
- Environmental Clean Up
- Extrusion
- Food & Beverage
- Hydraulics
- Marine
- Machining
- Mining
- Mobile
- Oil & Gas
- Paints & Coatings
- Petro/Chemical
- Plastic Molding
- Power Generation
- Pulp & Paper
- Railroad
- Remediation/Recycling
- Specialty Gases
- Steel Mills
- Vacuum
- Water

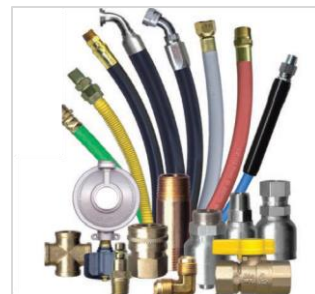

Hydraulic Hose and Fittings, Hydraulic Parts

Products:

Hydraulic Hose	Crimp Fittings	Crimpers
Hose Cut Off Saws	Tube Fitting Adapters	Metric Adapters
Quick Disconnects	Tube & Pipe Clamps	High Pressure Ball Valves
Flange Fittings & Adapters	Thermoplastic Hose	Diagnostic Equipment

Quality Brands:

Eaton	Continental/Contiech	Fittings Unlimited	Gates	Brennan
Stauff	Hatec (Hansaflex)	Worldwide	Parker	DMIC
Adapt-All	Dixon Valve and Coupling	Plexagon	Hansen	
Tompkins	Stucchi Quick Coupling	Anchor Fluid Power	ZSI	

Industrial Hose and Connections

Products:

Industrial Hose	Cam Locks	Band Clamps
Hose Barbs	Air Nozzles	Pressure Washers Parts
Chicago Fittings		

Quality Brands:

Continental	Parker	Eaton
Novaflex	Plexagon	Kuriyama
XPower	Dixon Valve and Coupling	PT Coupling
Evertite	Campbell Fittings	Ideal Clamps
Band it Clamps		

Metal and Teflon Hose

Products:

Corrosive Environments
Made to Order Sizes and Configurations for Hot and Cold Applications
Flexibility in Hose Configurations

Quality Brands:

Hose Master	Penflex	US Hose
Dixon Specialty Hose		
Saint Gobain	Crane Resistoflex	

Lubrication

Products:

Grease Pumps	Lubrication Blocks	Grease Fittings
Lubrications Systems	Grease Guns	

Quality Brands:

Lincoln	Alemite	Graco

- ZSI

Instrumentation

Products:

Compression Fittings	Stainless Steel Tubing	Gauges
Flow Meters		

Quality Brands:

Ham-Let	WIKA	No-Shok
Stauff	Winters	

Misc. Components

Products:

Hose Reels	Brass Fittings	Thermoplastic Hose
Ducting	Expansion Joints	In Line Swivels

Quality Brands:

ReelCraft	Hannay Hose Reels	Parker
Midland Metals	Dixon Valve and Coupling	Spir Star
Proco Products	Super Swivels	Eaton
Hose Master	Garlock	Cox Hose Reels

Questions:

- Did you know we offer a wide variety of Fluid Conveyance Products?
- Who do you currently purchase hose and fittings from?
- Which is most important in regard to Fluid Conveyance: Pricing, availability, quality, ease of doing business, etc.
- Do you have a preferred manufacturer? (Aeroquip, Parker, Gates, etc.)
- Is there a particular area with hose and or fittings which has been a source of frustration? (Consistent failures, not having the correct products on hand when needed, etc.)
- Do you handle your own inventory or does someone come in and handle VMI services? (Vendor Managed Inventory)

Benefits:

- With over 140 locations across the country we can respond quickly to your needs. We're a national distributor with a local presence.
- Our team of knowledgeable, technically-trained Inside Sales associates are available to find the right product for your situation.
- We represent over 700 world-class manufacturers. We can offer the best products and solutions for your application.
- Our product experts are on staff to support our sales team with industry, market, and product expertise. Ask us for an on-site process review.
- We stock over \$55 Million of inventory dedicated to fluid conveyance. Our many in-stock items mean we are ready to meet your delivery requirements quickly.
